

Louisiana RII Application for Virtual Learning

If you do not wish to send your child (ren) for in person instruction, then please choose one of the following options. Once your child's school has officially accepted your choice, then the method of your choosing will be in place through the end of the 2nd semester. Please complete this form for each child in your family. Requests for virtual enrollment will be accepted for the week before the term begins until a week after the term begins. After that time, changes between in person and virtual learning will not be accepted until the next term.

____ I wish to keep my child home for virtual learning.

- You must provide the devices and be responsible for an internet connection
